ORDER

The parties having filed their Joint Motion for Entry of Partial Judgment, and the Court having read the Joint Motion and being duly advised finds that it should be granted, and,

IT IS THEREFORE ORDERED that:

- a. There is no just reason for delay in entering final judgment with regard to the portion of Count 2 of the Complaint challenging Indiana Code section 16-34-2-1.1(a)(1)(G) as applied to first trimester abortions because the State has not appealed this Court's preliminary injunction concerning application of this statute to first-trimester abortions and does not intend to resist that injunction any further in this Court.
- b. Pursuant to Rule 54(b) of the Federal Rules of Civil Procedure, this Court hereby enters final judgment as to the portion of Count 2 of Plaintiffs' Complaint challenging application of Indiana Code section 16-34-2-1.1(a)(1)(G) to first-trimester abortions and declares that Indiana Code section 16-34-2-1.1(a)(1)(G) is invalid as applied to first-trimester abortions.
- c. No other claims in this lawsuit are impacted by this partial final judgment.
